

# STUFF THE BUS

## What is Stuff the Bus Campaign?

Stuff the Bus Campaign is a joint effort among Communities in School of Tacoma (CIST) and local Businesses and Organizations to provide children in need with backpacks, school supplies, clothing and shoes for the upcoming school year. Our goal this year is to provide basic items to 4,000 children.

## Why Should I Participate?

Too many of our children start the school year without clothing, shoes, school supplies and other basic items. If education is the key to a better future, we must help to provide all students with the tools necessary to succeed in school and prepare for life.
