Fern Hill, Sat., Mar. 17, 10:30 am
Wheelock, Sat., Mar. 17, 2:30 pm

Open ended, snap together building system makes many things, from houses to helicopters! Uses electricity and motors to teach use of circuits that create moving parts and lights. Expand, accessorize, and populate a world of your own! Encourages problem solving, confidence and creativity.

Ages 4 – 18 (manufacturer recommended age 6 - 12)
Required: Registration and accompanying adult
