

Free Tax Help Pierce County

February 2021
through April
15th, 2021

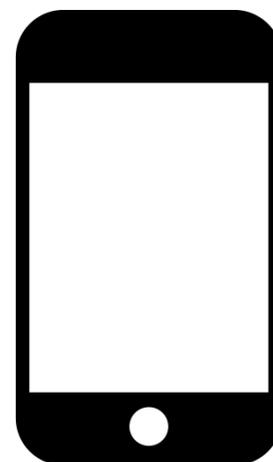

DO-IT-YOURSELF

If you have **access to the internet** via computer, tablet or smart phone, you can do your own taxes with phone support from a volunteer. Visit GetYourRefund.org/PierceWA for more info.

NO-CONTACT

If you have access to the internet via computer, laptop or smart phone, and can **send copies of your documents electronically** (phone photos OK), a volunteer can do your taxes for you remotely. Visit GetYourRefund.org/PierceWA for more info.

LIMITED CONTACT

If you do not have access to the internet, there will be some **in-person locations** where you will complete an intake and drop off your documents or have them scanned. Face masks and adherence to CDC safety guidelines will be required. After dropping off your documents, you may have to return at a later time or date to pick up the finished tax return. **See reverse side for more info.**

MAKE AN APPOINTMENT

- All in-person tax services are by appointment only. Taxpayers without an appointment will be turned away. Please call the number for the tax site to make an appointment.
- Phone lines for sites are operated by volunteers and it may take several tries to reach someone or get a return call after leaving a voicemail.
- Tax returns cannot be completed without the proper documents (see *What do You Need?*)
- Face masks are required to receive in-person services
- Most in-person sites will be drop-off only. Tax returns may not be filed that day.
- Please do not bring children to the appointment
- For faster service, please visit [GetYourRefund.org/PierceWA](https://www.getyourrefund.org/PierceWA) for remote tax help
