## Five Little Kittens

Five little kittens standing in a row (hold up 5 fingers)  
 They nod their heads to the children so (bend fingers)  
 They run to the left, they run to the right (wiggle fingers side to side)  
 They stand up and stretch in the bright sunlight (stretch fingers and hand)  
 Along comes a dog who is looking for fun (make other hand into a fist)  
 (slowly move fist to the five fingers to scare the kittens)  
 MEOW, see those kittens squeal and run (hide fingers behind back)

## Can You Meow Like Me?

Meow very loudly.  
 Meow like a giant cat.  
 Meow in a squeaky voice.  
 Meow like a scared cat.  
 Meow like a happy cat.  
 Meow like a sad cat.  
 Meow like an angry cat.  
 Meow in a whisper voice.

## Five Little Kites

Way up high in the sky so blue,  
5 (4, 3, 2, 1) little kites flew and flew.  
The wind blew hard (blow hard),  
The wind blew loud (say "wooooo"),  
The wind blew the little red kite  
Off to the clouds! (remove the kite).

## My Kite

My kite is up so high,  
My kite is up so high,  
Oh my—just watch it fly  
My kite is up so high.

My kite is falling down,  
My kite is falling down,  
Oh no—it's down so low  
My kite is falling down.

## Now It's Time to Fly Our Kites

**Tune: *Mary Had a Little Lamb***

Now it's time to fly our kites  
Fly our kites, fly our kites  
Now it's time to fly our kites  
On this windy day.

Now our kites go up, up, up  
Down, down, down, up, up, up  
Now our kites go up, up, up  
On this windy day.

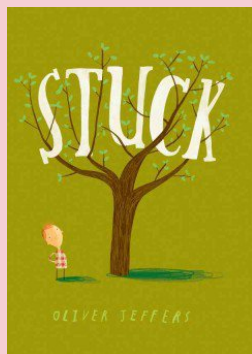

Now our kites all around  
All around, all around  
Now our kites go all around  
On this windy day.

## Let's Fly a Kite

I took my kite to the park,  
And flew it in the air.  
I flew it high,  
I flew it low,  
I flew it everywhere.  
I flew it in a great big circle,  
I flew it in a square,  
I flew it in a squiggly line,  
And tossed it into the air.

The wind has caught my kite,  
The wind has caught my kite,  
What fun—I'm on the run  
The wind has caught my kite.

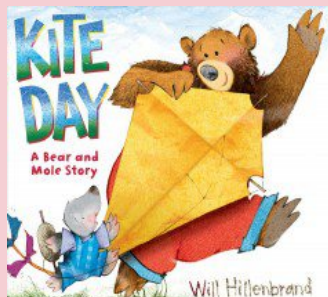

My kite is up so high,  
My kite is up so high,  
Oh my—just watch it fly  
My kite is up so high.
