Four Little Bugs

Tune: *Five Little Ducks*

One little bug went out to play,
On a spider's web one day.
He had ever so much fun,
He called for another bug to come.

Two little bugs went out to play...
Three little bugs went out to play...

Four little bugs went out to play,
On a spider's web one day.
They got stuck, all in a bunch.
And along came spider, in time for lunch!

There's a Spider on the Floor

Tune: *If You're Happy and You Know It*

There's a Spider on the floor, on the floor.
There's a spider on the floor, on the floor.
There's a spider on the floor, it just crawled in through the door,
There's a spider on the floor, on the floor.

...there's a spider on my shoe, and I don't know what to do!...
...there's a spider on my knee, and it's looking right at me!...
...there's a spider on my tummy, and I really want my mommy...
...there's a spider on my head, and I'm feeling full of dread...
and then it jumps down!
...there's a spider on the floor, I'm not worried any more...
