

## Colorful Worms

One **red** wiggly worm lying under the sky so blue,  
 Along comes an **orange** worm and that makes two.  
 Two colorful wiggly worms squirming up a tree,  
 Along comes a **yellow** worm and that makes three.  
 Three colorful wiggly worms searching for one more,  
 Along comes a **green** worm and that makes four.  
 Four colorful wiggly worms into a puddle dive,  
 Along comes a **blue** worm and that makes five.  
 Five colorful wiggly worms  
 Squirming across some sticks,  
 Along comes a **purple** one  
 And that makes six.  
 1-2-3-4-5-6

## Gardener Digs the Soil

Here are some worms who are, oh, so sad.  
 They've lost all the wiggles that they once had.  
 They wonder if you, just for today  
 would lend them your wiggles so they can play.

Wiggle them up and wiggle them down  
 Wiggle the worms around and around  
 Wiggle them high and wiggle them low  
 Wiggle them fast and wiggle them slow  
 Wiggle them over your shoes and your socks  
 Then wiggle them back into their box.

## Worm in the Middle

I found an apple on the ground  
 It looked delicious, red and round  
 I picked it up and took a nibble  
 Oh my goodness!  
 There was a worm in the middle!

## Little Worm

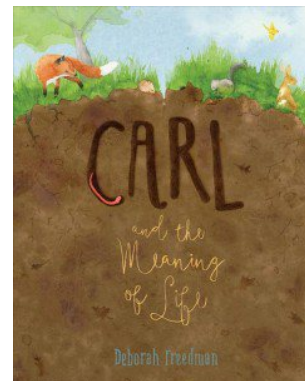

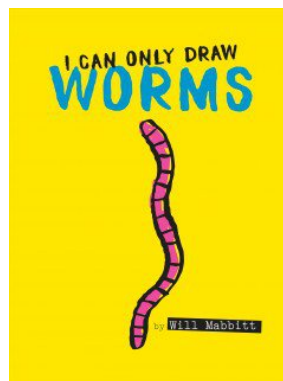

Little worm playing hide and seek  
 Are you under the \_\_\_\_\_?

## I'm a Little Worm

**Tune: I'm a Little Teapot**

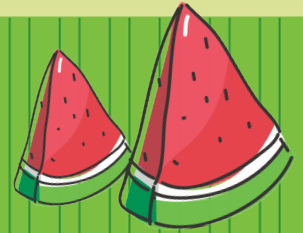

I'm a little wiggle worm, watch me go!  
 I can wiggle fast, or very slow.  
 I wiggle all around, then back I go.  
 Down into the ground, I'm home!

## **Picnic Time**

Going on a picnic,  
Gotta pack a lunch.  
What should we bring to munch, munch, munch?

**(Last Verse)**

Ready for a picnic,  
Ready with a lunch,  
Now we're ready to munch, munch, munch!

## **Five Hungry Ants**

Five hungry ants marching in a line,  
They come upon a picnic where they could dine.  
They march into the salad,  
They march into the cake,  
They march into the pepper  
Uh-oh, that was a mistake! Aa aa aa aa-CHOO!

Four hungry ants marching in a line...
