**Colorful Worms**

One red wiggly worm lying under the sky so blue,
Along comes an orange worm and that makes two.
Two colorful wiggly worms squirming up a tree,
Along comes a yellow worm and that makes three.
Three colorful wiggly worms searching for one more,
Along comes a green worm and that makes four.
Four colorful wiggly worms into a puddle dive,
Along comes a blue worm and that makes five.
Five colorful wiggly worms
Squirming across some sticks,
Along comes a purple one
And that makes six.
1-2-3-4-5-6

**Gardener Digs the Soil**

Here are some worms who are, oh, so sad.
They've lost all the wiggles that they once had.
They wonder if you, just for today
would lend them your wiggles so they can play.

Wiggle them up and wiggle them down
Wiggle the worms around and around
Wiggle them high and wiggle them low
Wiggle them fast and wiggle them slow
Wiggle them over your shoes and your socks
Then wiggle them back into their box.

**Worm in the Middle**

I found an apple on the ground
It looked delicious, red and round
I picked it up and took a nibble
Oh my goodness!
There was a worm in the middle!

Going on a picnic,  
Gotta pack a lunch.  
What should we bring to munch, munch, munch?  

(Last Verse)  
Ready for a picnic,  
Ready with a lunch,  
Now we’re ready to munch, munch, munch!

**Five Hungry Ants**

Five hungry ants marching in a line,  
They come upon a picnic where they could dine.  
They march into the salad,  
They march into the cake,  
They march into the pepper  
Uh-oh, that was a mistake! Aa aa aa aa-CHOO!

Four hungry ants marching in a line...
