

## Drive-In Movie At Home

### Make Your Car

Your child can be as creative as they want! Start with a box, and see what happens!

- Any box your child can fit in will work!
- Color and attach your license plate.
- Attach plates (tires and steering wheel).
- Old compact discs make great headlights!
- Decorate the car with anything your child finds inspiring.
- Foam adhesive works great for attaching things.

### Make A Snack

[momdot.com/make-your-own-movie-theater-snack-box/](http://momdot.com/make-your-own-movie-theater-snack-box/)

Make your own movie snack tray with an empty cereal box!

- Tape an empty cereal box closed.
- Trace and cut a hole in the shape of a bowl and cup.
- Place the bowl and cup in the holes.
- Enjoy!

### Watch A Movie

Pick a fun movie or tv show to watch. The library can help!

- Check out a DVD from the library.
- Stream a movie or show for free using Kanopy or Hoopla.
- For help streaming, send an email to [youthservices@tacomalibrary.org](mailto:youthservices@tacomalibrary.org).
