TPL eResource Practice

When prompted for a library card number, you can use your TPS student ID number.

Your password/pin is 1234.

If you also have a standard library card, you may choose to use that number and your customized pin instead.

Beanstack:

Download the app or visit tacomalibrary.beanstack.org to sign up for the Extreme Reader Challenge. You'll use your student ID number when it asks for a library card number. This account can also be used for the summer reading challenge, so you might already have an account.

Biography In Context:

Look up a person of your choice, and list one fact you learned about them.

Help Now:

In addition to live online tutoring, what are some of the other services offered?

Live Tutoring

Live online help from expert tutors

Peterson's Test Prep:

Explore the different exams available. Under which category can you find the SAT?

Prep for an Exam

Libby:

Check out an eBook or eAudioBook and read the first page. You can do this using a tablet, phone, eReader, or computer/laptop. What book did you pick?

Rosetta Stone Library Solution:

Browse the available languages. Which two languages would you be most interested in learning?

Gale In Context:

Select the appropriate grade level option (Elementary, Middle School, or High School). What is the second featured "topic of interest" on the main page?
