

# Apples

## Way Up High

Way up high in the apple tree  
5 little apples smiled at me  
I shook that tree just as hard as I could  
And down came an apple!  
Crunch!  
Mmmmmm...was it good!

## Eat an Apple

*\*Tune of Where Is Thumpkin*

*Eat an apple, eat an apple  
Save the core, save the core  
Plant the seeds, plant the seeds  
And grow some more, and grow some more!*

## What Color Is My Apple?
