Art Sounds

The paintbrush on the paper goes
swish swish swish, x 3
The paintbrush on the paper goes
swish swish swish,
All day long.
The pencil on the paper
goes skritch scratch skritch...
The crayon on the paper goes scribble,
scribble, scribble...
The Play-dough on the table goes squish,
squish, squish...

Colors I See

Red, red is the color I see
If you're wearing red, then show it to me
Stand up, take a bow, turn around
Show me your red and sit back on the
ground (Green...Blue...etc.)

paint, stir the paint
This is the way we stir the paint so early in
the morning
