

Hibernation

Bear in the Cave

"Sleepy bear, sleepy bear, are you in the (color) cave?"

Where Is Bear?

Tune: *Where is Thumpkin?*

Where is Bear? Where is Bear?
Here I am. Here I am.
How are you this winter?
Very tired, thank you.
Go to sleep. Go to sleep.

Hibernation Station
by: Michelle Meadows

Bear is Sleeping

Tune: *Are you sleeping?*

Bear is sleeping, bear is sleeping (lay head on hands)
Wake him up, wake him up (make peek-a-boo motion with hands)
Come and say hello bear, come and say hello bear (wave hello)
Time to eat, time to eat (grab food and put in mouth)

Hibernation Song

Tune: *Wheel's on the Bus*

The weather's getting cold so bundle up, bundle up, bundle up
The weather's getting cold so bundle up, winter's coming soon.
The bears in the cave sleep all the time...
The squirrels in the trees get lots of nuts...
The frogs and toads go deep in mud...
The ducks and the geese go flying south...
The people in the town wear hats and gloves...

Brown Bear

Brown bear, brown bear turn around
Brown bear, brown bear
... touch the ground.
...dance on your toes
...touch your nose
...reach up high
...bend down low
...touch your toe
...jump up now
...take a bow
...turn out the light
...say "Good Night!"

Grizzly Bears are Big and Brown

Grizzly bears are big and brown,
big and brown, big and brown.
Grizzly bears are big and brown
and live in the woods.

Polar bears are soft and white,
soft and white, soft and white.
Polar bears are soft and white
and live where it is cold.

Teddy bears are just my size,
just my size, just my size.
Teddy bears are just my size
to cuddle with at night.

Two Little Black Bears

Two little black bears
 Sitting in a cave
 One named Lucy
 One named Dave
 Go to sleep, Lucy
 Go to sleep, Dave
 Wake up, Lucy
 Wake up, Dave

Bear Snores On
 by: Karma Wilson

Here is a Cave

Here is a cave. Inside is a bear. (bend fingers on one hand; put thumb inside)
 Now he comes out to get some fresh air. (pop out thumb)
 He stays out all summer in the sunshine and heat.
 He hunts in the forest for berries to eat. (move thumb in circle)
 When snow starts to fall, he hurries inside.
 His warm little cave and there he will hide. (put thumb inside fingers)
 Snow covers the cave like a fluffy white rug.
 Inside the bear sleeps all cozy and snug. (place one hand over the other)

Hibernation

Tune: *London Bridges*

Chorus

Animals are not around,
 Not around, Not around
 Animals are not around,
 They're hibernating!

In the winter, where's the bear?
 In a den, in a lair.
 Till the spring, it's sleeping there
 It's hibernating!

Chorus

In the winter, where's the frog?
 In a pond, or a log.
 It won't hop, and it won't jog!
 It's hibernating!

Chorus

In the winter, where's the snake?
 In the mud beneath the lake.
 Sleeping through its winter break
 It's hibernating!

Chorus

In the winter, where's the bat?
 In a cave is where it's at.
 It is sleeping. Why is that?
 It's hibernating!
